

The Ten Commandments of Real Estate Law Society

SELF. WEALTH. ACHIEVING. GREATNESS.
(S.W.A.G.)

HOUSING LITERACY PROGRAM

Educate. Empower. Transform.

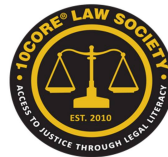

“An imbalance between rich and poor is the oldest and most fatal ailment of all republics.”

—Plutarch, *Greek Historian*

OUR MISSION

At **10CORE**[®] Law Society, a 501(c)(3) nonprofit corporation, we believe that wealth disparities *and* lack of knowledge create an impenetrable barrier for most Americans and deprive them of achieving long-term economic success, including the ability to accomplish one of its building blocks - homeownership.

Our mission is to remove that barrier.

Vision. Dedication. Justice.

“Education is a better safeguard of liberty than a standing army.”

Edward Everett
President, Harvard University
Fifteenth Governor of Massachusetts

OUR HISTORY

Since its inception in 2010, **10CORE**[®] has partnered with lawyers, bar associations, law schools, law students, financial institutions, and real estate professionals from diverse communities within Michigan, Florida, Georgia, and Maryland to provide educational outreach programs and symposia about real estate law.

Collaborate. Educate. Enhance.

“I have long held fast to the belief that children rarely become what they have not seen. Consequently, there is no way we can reasonably expect for children to break generational curses without being able to have access to information and other resources that provide them with a vehicle to overcome the inherent challenges found in their respective ecosystems.

The **10CORE**[®] Law Society [through] S.W.A.G. has taken on this mountain to demonstrate to others that it can be moved.”

Dr. Derrick R. Coleman
River Rouge School District Superintendent

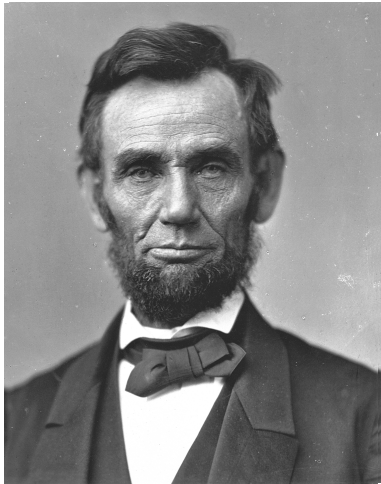

OUR METHODOLOGY

10CORE[®] has expanded the paradigm for the country’s educational system.

With its cutting-edge curriculum and interactive courses about real estate law and homeownership taught by lawyers and real estate professionals, S.W.A.G. has created a new normal.

Engage. Enlighten. Empower.

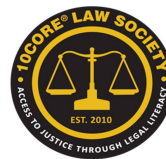

“The strength of a nation lies in the homes of its people.”

—*Pres. Abraham Lincoln*

OUR RESULTS

With this knowledge, youth and young adults are changing their families’ economic trajectories for generations . . . and more will become homeowners.

Strengthen. Support. Sustain.

“I will forever believe that buying
a home is a great investment.”

—*Oprah Winfrey*

OUR DREAM

S.W.A.G. will remove the “barrier” one person, one family, and one community at a time.

Restore. Build. Prosper.

We are grateful for the support from members of these organizations and institutions.

Ruth Anne Faust Charitable Trust

“Do we settle for the world as it is, or do we work for the world as it should be?”

—*Pres. Barack Obama*
